

eviir::Value

```
graph BT; A[eviir::IntegerValue] --> B[eviir::Value]
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box containing the text 'eviir::IntegerValue'. A vertical blue line with an upward-pointing arrowhead connects this box to a white rectangular box at the top containing the text 'eviir::Value'. This represents that 'eviir::IntegerValue' inherits from or is a specialization of 'eviir::Value'.

eviir::IntegerValue
